

FROM THE DESK OF

Three little Fishes Swim School

Hello - my name is Helen

THAT'S ME!

I am going to teach you how to swim better!

I am really looking forward to meeting you.

If you have goggles, do bring them along, but don't worry if you don't have any, or don't like wearing them... that's fine too! Apart from your towel, that's all you need to bring! We prefer it if you can have a quick shower before you come in - that helps keep the pool nice and clean. There are showers either poolside or by the changing rooms.

We know you might be VERY excited about your first class, but please wait for the children in the class before you to get out AND THEN...still waiting...for your teacher to call you - that really helps us.

If you are feeling nervous about your first class, that's quite normal, it's all new - feel free to let us know.

We are going to take it nice and easy the first couple of classes, lots of fun while you get into the swing of it! See you soon for some **serious fun!**

See you soon!

Helen
